# ABOUT WOMENVENTURE

Since 1978, WomenVenture has provided women of all ages, cultures, races, and income levels with the tools and resources to achieve economic success through small business ownership.

**Our mission** is to empower women to achieve their economic goals by building profitable and sustainable businesses that transform communities.

**Our vision** is a world where women-owned businesses are the economic engine that powers our world.

**Our values** are inclusion, impact, and innovation.

In our last fiscal year, WomenVenture supported more than 1,200 clients through lending and training programs and provided more than 13,000 hours of training and consulting hours combined. WomenVenture clients created nearly 500 jobs, and 75 small businesses launched enacting positive change within their communities and our state's economy.

As we celebrate 45 years of impact, your sponsorship allows us to be at the forefront of addressing systemic barriers by working directly with socially and economically disadvantaged individuals whose businesses can be strengthened through WomenVenture's programs.

Join us to celebrate everything we've accomplished in the last 45 years and to help us make an impact for 45 more.
